Hard enough that I can chew a whole bag of rocks
Hyah! Attention to all you punk motherfuckers out there
(Uh-huh uh-huh, check it out, check it out)
Funky Noble Productions represent for the nine-four
and nine-five area
Reggie Noble and Rockwilder in the house for the
nizzow
If you don't know you might as well close your biz out
(To my peeps in Queens)
Yeah, ohh shit, yo, it's a bird
(Nah I thought that shit was a fuckin plane dude)
Nah nah nah, it's Soop, Soop, Soop-a-man
It's on
Hah

Well it's the Soopaman Lovah in your motherfuckin
town
Get down go round and round like shocks on your G-
spot
Honeydip, now all of y'all up in that funny shit
But I ain't switched, still a honeydip is a honeybitch
In the mix! So bitches be lookin fly and I'll run in em
With they toes and nails done, hair wrapped up with
pins in em
Fifty-four eleven Reebox bitch which you need not
To do is get fly, cause where I'm from, bitches get
speed knots
Slow your monkey ass down and hold your horses
Don't wanna know your name don't wanna know none
of your sources
Just fix me, with a quickie, I swear more Lake's than
Ricki
So bad I use my X-Ray vision to give y'all clits a hickie
And plus the weed I puff is from the planet of Cheech
and Chong
Where the earth is chronic, and How To Roll a Blunt is
the theme song
Oooh you makin me horny! Well uhh, let me wipe that
wetness for ya
Slurped and burped, got that bitch more open than my
door do
Let's take a journey up in the stars where I live at

Where I fuck Jane, Judy Jetson, and that robot bitch-ah
Grab onto the cape and uhh I said before I took her
Don't choke me
And it's up up and away I took the hooker
And it's on

We landed on my planet, we smoked out like a fuck up
Bought a dime from Jabba the Hut and some uncut for
the hooker

She said, "I don't sniff blow I just smoke weed to get
me horny

So I'm nothin like that bitch in your last Soopaman
Lovah story."

You go girl! But I didn't believe her, had to make sure
Where you from, the projects? "Yeahhhh, but I'm single
You needed a quickie and I'm just that bitch to break
you off, shit

My pussy's so good, it tickle my legs when I walk!"

Oh really, just show me a couple of ways how you'll
thrill me

She lifted up her dress and the whole area got chilly

"So what you think of that?" I threw that bitch back on
my back

Shit I live ten miles away, but I made it fo' seconds flat

I lived in the same building with Mr. Spock and Captain
Kirk

Got R2D2 and Mork from Ork puttin in work

See I got the block sewn "oooh baby let's get it on!"

About time, I opened the door she had her ass and tits
showin

She rushed me to the room and stripped me out of my
attire

She tied me to the bedposts then she lit the room on
fire

She took out a scarf wrapped it around my eyes till I
was blind

But with my X-Ray vision I saw the icepick from behind

So I broke out the ropes, smacked the hoe, then
suplexed her

She pulled out a Tec and wet my chest with the S1's

"Oh shit I'm shot!" There was blood all over my finger

I think I left my other bulletproof suit in the cleaner

She gave a whistle, they came in crews, word is bond

It was a bunch of Martian bitches with bodysuits and
platforms

"Damn, I gotta think of a plan, whatamI do?

Did Superman have a gun?" Nah, but the Soopaman
Lovah do

So I pulled out the fo'-fifth, left the bitches open

Had another clip in case some mo' bitches want mo'
shit

And I saw that trick Bewitched flying on her broomstick
Pa-dow! Shot her down because I leave no witness
Job well done I cleaned myself in a hurry
Oops! Gotta catch this blunt session
With I Dream of Jeannie and Kieth Murray
Aiyyo-yo-yo Keith aiyyo what's up?
