[Intro]

It's about 40 degrees out there  
I know all you out there listening to these sounds  
Humping and a bumping out in your jeeps  
Well, ahh..y-you tell em Moe (fart sound)  
That's right, and right now, we're gonna hit you off  
With one from Redman, and uhh, it's about uhh  
Well.. OOH OOH AHH AHH, he's gon', LET THE MONKEY  
OUT

[Redman]

Ha, Chi-Town in it  
Yo, yo-y-yo-yo  
Now first of all I be the Doc smoking blocks of hash  
Alert your fag ass commisioner when I harass because  
Hood regulation is, no infiltration  
If it's hot to your crew  
Then it's hot to the next patient  
I'm in The Bricks like backspins on the Knicks  
I'm not a playa, but y'all hating me like I'm a pimp  
These cars y'all talk about, the Doc already whipped  
You 'bout to go downtown bitch, like The Shiznit  
Overseas banging kok in the parking lot  
I'm overdosing in a Amsterdam coffee shop  
And when you lust for hardcore music to bust  
Trust that nigga who bubble more than Alka-Seltzer  
Cold Plus  
Static, niggas actin all dramatic  
I'd rather smoke cabbage, in the chair getting tatted  
My P.O. tried to violate me for the habit  
Because I walked in the office rocking straight karats  
Chorus:

Gonna ride in the hoop' with a freak tonight  
Hope to God I don't have to pull the heat tonight  
But uhh, light up a L cause I'm a nigga for life  
Hustlers, got the shit that'll keep you high!

[Female Voice]

Just gently place the balls, into the mouth, and ..  
HUMMMMM

Gently, place the balls into the mouth and.. HUMMMMM

[Redman]

Yo, I'm in your local ghetto rolling a Corona Deluxe  
Bitch you better hit the 40, fuck a margarita!

Shit I still scam change out the parking meter  
And get a bunc
