Live by the sword and help to contain
The helpless minds of you all
Die by my hand in pools of blood
Clutch yourself as you fall

.
Mindless tyranny, forgotten victims
Children slaughtered in vain
Raping the maids, in which they serve
Only the words of the Lord

.
Die by the sword
Die by the sword

.
Satan watches all of us
Smiles as some do his bidding
Try to escape the grasp of my hand
And your life will no longer exist

.
Hear our cry, save us from
The Hell in which we live
We turn our heads toward the sky
And listen for the steel

.
Die by the sword
Die by the sword

.
Watch as flowers decay
On (the) cryptic life that died
The wisdom of the wizards
Is only a neurtured lie
Black knights of Hell's domain
Walk upon the dead
Satanas sits upon
The blood on which he feeds

.
Die by the sword
Die by the sword
