(chorus)

Baby I like it  
Baby I like it when you move that way  
I like it  
Baby I like it when you move that way

Baby won't you tell me what it takes to be your man  
Baby won't you tell me what it takes to understand  
Now when your body's talkin' to me girl,  
You know what's on my mind  
I wonder if you're the kinda girl who thinks would blow  
my mind  
and if you're not pleased don't you worry, I don't  
discriminate  
I said I like those kinda girls who put food up on my  
plate  
But then you tell me that you want it girl, you know I  
want it too  
Well, Wrap your legs right around my neck until my  
face turns blue  
Because I like it in the mornin' time, girl  
I like it late at night  
I said I like those kinda girls who's pussy's really tight  
So please girl don't keep me waiting so long  
Please girl now don't keep me awaiting alone

(chorus)

(G love)

I smell the pussy but no pussy can I get  
'Cause you keep your pussy hot just like your name was  
Boba Fett  
I'm like hansolo gettin'a deep deep freeze  
Nothin' I say can break the ice, not even pretty please  
I keep it cool, respect you everyday of the week  
But expect everyday of the week I wanna freak  
Spread your legs a little wider I run up deep inside ya  
She wrap me up and smoke me like my name was easy  
rider  
rider rider rider (2x)

(chorus)

So did you have to run, did you have to run, did ya did  
ya did ya have to run, did ya have to run away (2x)

Baby won't you tell me what it takes to be a man  
Baby won't you tell me what it takes to understand  
Now when your body's talkin to me girl, you know  
what's on my mind  
I wonder if you're the kinda girl who thinks will blow my  
mind  
So please girl now don't keep me waiting so long  
Please girl now don't keep me waiting so long

(chorus)
