concerns legitimate aside, just say whatever comes to
mind
and you know that I just might, I might, it's what I do
and now you're coming back again, in many ways you
never left
oh what a time to remember one thing: I'm not afraid of
you
the witnesses at witless ends, throwing their keys and
poisoned lead
was it something that you said?
revolving (evolving) attributes resolving (dissolving)
absolute truths
the commentaries you provide, your take on other
people's lives
are always trite and always snide, that's right, it's what
you do
you try and try to no avail, a manx, in vain, you chase
your tail
always conjuring false rivalries
I'm taking notes and reading signs, you're overstating
underlines
wanting all of what is mine, that's fine, it's what you do
endlessly honoring all the irony in what you do
