Na na na na na na  
Na na na na na (x3)

I wrote another letter for Jason yesterday  
He hasn't replied yet but really that's ok  
He tends to be quite busy on Tuesdays  
And on Wednesdays  
But I'm going to call him on Thursday  
My friends call me aggressive  
They tell me I need help  
I don't know what they're talking about  
I feel swell  
I'm so in love with Jason  
And he's so in love with me  
He just doesn't know it yet you see

Cause everybody knows Jason  
And everybody knows me  
They say that I should leave him alone, let him be  
And everybody says Jason really doesn't care  
Well maybe if I lose some weight or change my hair

Na na na na na na  
Na na na na na (x3)

They say he's in a meeting  
I know that that's a lie  
They say they're gonna call the police  
And I don't know why  
But I know my sweet Jason he's really quite fragile  
But I can't protect him from the crazy world outside

Cause everybody knows Jason  
And everybody knows me  
They say that I should leave him alone, let him be  
And everybody says Jason really doesn't care  
Well maybe if I lose some weight or change my hair

Well I send him lots of flowers  
With confessions of my love  
He claims he's got a girl  
I don't know what he's speaking of

My Jason is a cutie, but he gets a bit confused  
But I love him, and heâ€™s perfect for me

Cause everybody knows Jason  
And everybody knows me  
They say that I should leave him alone, let him be  
And everybody says Jason really doesnâ€™t care  
Well maybe if I lose some weight or change my hair

Everybody knows Jason  
And everybody knows me  
They say that I should leave him alone, let him be  
And everybody says Jason really doesnâ€™t care  
Well maybe if I lose some weight or change my hair
