another date, another smile you'll fake
tell me what i wanna hear so you can fool me
& don't think i don't notice those eyes
looking everywhere but mine
ill pretend that you're genuine so im not alone tonight

every time i try
try to forget - who you really are
i cant seem to find, find that warmth
in your cold heart

tell me if im wasting my time with you ooo
lemme know.

am i the only one who thinks this is real?
what you doing with a girl like me?
maybe ill go along with this act of yours,
and you'll see how its suppose to be
but --

every time i try
try to forget - who you really are
i cant seem to find, find that warmth
in your cold heart

tell me if im wasting my time with you
i don't wanna loose control
i don't wanna be the one to chase you through
what you're not into
lemme know

da da da da da da da da..

tell me if im wasting my time with you
i don't wanna loose control
i don't wanna be the one to chase you through
what you're not into

tell me if im wasting my time with you
i don't wanna loose control
i don't wanna be the one to chase you through

what you're not into
lemme know

lemme know, lemme know, lemme know
