Thought you were the one  
You made me feel complete  
The way you made me feel  
When you said You loved me  
Everything felt so right in your arms

Guess how I wasn't how you pictured the moment  
Take me down  
Shades of grey came around  
But I made some signs in time

I gave you my all  
But you left me standing alone  
Where did I go wrong  
Tell me  
How could I let you walk all over me  
But I'm not done yet  
Cus I'm over with it  
Gonna end up with someone who'll give me their all  
Then I wont be standing alone  
I'm over it

Now I'm all alone  
It was only yesterday  
With u beside of me  
But it all went away  
Now I'm doing just fine moving on with my life  
Cause you weren't  
Everything that you said  
You let me down  
Left me all broken hearted  
Turn the day of life back around

I gave you my all  
But you left me standing alone  
Where did I go wrong  
Tell me  
How could I let you walk all over me  
But I'm not done yet  
Cus I'm over with it  
Gonna end up with someone who'll give me their all  
Then I wont be standing alone

I'm over it

Baby we had it all  
But now it's over  
We had it all  
Yes we did boy  
Nonono how I didn't give u a reason  
We had it all  
But now it's all over

I gave you my all  
But you left me standing alone  
Where did I go wrong  
Tell me  
How could I let you walk all over me  
But I'm not done yet  
Cus I'm over with it  
Gonna end up with someone who'll give me their all  
Then I wont be standing alone  
I'm over it
