Boy I need some warm affection  
You got the love to give to me  
We can make a strong connection  
If only you'll just let it be  
(1)  
Feel my heart beating fast  
Catch me I'm falling  
Don't leave me wishing on a star  
You can't change destiny  
I'm gonna make you see  
Our love was always meant to be  
(2)  
Step by step - inch by inch  
Boy I got your number  
Come on let me in  
Step by step - inch by inch  
No way you can fight it  
No way you can win  
There ain't no way boy  
One-two-three - so easy baby  
To be together you and me  
Don't be shy - don't drive me crazy  
I'll find a way to make you see  
Gotta get next to you  
The sooner the better  
Let's make this more than just a dream  
Give me a little sign  
No need to hurry time  
I know I'm gonna make you mine  
(repeat 2)  
There's nothing left to say  
Don't make me wait this way  
Won't you give me a chance  
I'll show you true romance  
(repeat 1)  
(repeat 2)  
Step by step I'll make you mine  
No question and no doubt  
No matter how long it might take  
This girl's gonna wait it out  
So come on boy now don't be shy

And give your love to me  
It won't hurt for you to take a chance  
It's as easy as 1 2 3  
(repeat 2)
