You walk into the room as if you're a guy who gets the girls  
You wouldn't even notice me on top of the world  
And then he smiles at me and I know I'm the one  
If it feels this good being used  
Then use me all you want

### CHORUS

And he's the kind of boy you want so much it makes you sad  
But I just want to be with him so bad  
I'm only happy when he stays  
And when he tries to leave me I cannot hide I start to cry  
And after all this time I don't know why  
I don't regret a single day the boy is here to stay

You drive me up the wall with those innocent eyes  
I really shouldn't believe it but you know what I like  
And you get the DJ to play our song  
If it feels this good being used  
You can use me all you want

Repeat chorus

He's always bringing me down  
But I got my friends around  
He makes me look like such a fool  
But I keep telling myself  
That it's gonna be alright  
If I just...

Repeat chorus
