His storys about a phase I been through
With a girl a love
Basically... This ones from my heart

The girl before this one hurt me...
So much I cried and nobody heard me
No lies, she messed up my heart so much
I think I went to the next girl to early
One reason is I was heartbroken
Second, I was messed but let's forget about thirdly...

I should of thought twice about that girl
Because I knew the first one turned me
Into a guy that treated her like shit
And I know I acted like something I werent me
All was messed, I had a grudge against girls
And there's people saying she's not good enough for
Termzy
And I took it in and let it get to me

Eventually it effected me mentally
I told her what people were saying
She said, Reece forget them and face it dependently

Baby your all that I want
When your lying here in my arms
I'm finding it hard to believe we're in heaven
And love is all that I need
And I found it there in your heart
It isn't to hard to see
We're in heaven

She said...
We could do this
We could get through this
Forget them and stop acting stupid
I love you and nothings gonna change that
I swear down, I don't wanna lose this

She said she'll stick by me,
Through my family problems, college and music

I used it against her
I should have took the chance
Instead I went and abused it

As our relationship carried on,
I started saying things what wasn't needed
About our past, I think she was lying
That's what pushed me...
That's why I cheated
I'd told her after a while what I'd done
To see if she feels it
She started crying, that's what hurt me
So I said
Babe, see the past, let's leave it

Baby your all that I want
When your lying here in my arms
I'm finding it hard to believe we're in heaven
And love is all that I need
And I found it there in your heart
It isn't to hard to see
We're in heaven

(And I swallowed my pride)
After all this I swallowed my pride
And I called her up and said I'm gonna show ya
How much I love you now and I meant it
She said good your attitudes finally over

Next day she calls me,
"Come to my yard"
I was like "Yeah" as normal
Went up the stairs and sat on her bed
She looked in my eyes and said
"Reece, this is gonna be hard"
Reece I love you, you know that, don't you
What you said yesterday didn't sink in
Carry on with your life
Promise me won't you

Because last night you got me thinking
We've been through a lot I can't let go
But I gave you chances that was the last straw
"I'm sorry Reece... "
She starts crying, gives me a cuddle
"... I can't take this no more"

Baby your all that I want
When your lying here in my arms
I'm finding it hard to believe we're in heaven
