Hold, hold me for a while  
I know this won't last forever  
So hold, hold me tonight  
Before the morning takes you away

Hold, hold me for a while  
I know this won't last forever  
So hold, hold me tonight  
Before the morning takes you away

What's that sparkle in your eyes?  
Is it tears that I see?  
Oh, tomorrow you are gone  
So tomorrow I'm alone

Short moments of time  
We have left to share our love

Hold, hold me for a while  
I know this won't last forever  
So hold, hold me tonight  
Before the morning takes you away

We're in each others arms  
Soon we're miles apart  
Can you imagine how I'll miss  
Your touch and your kiss?

Short moments of time  
We have left to share our love

Hold, hold me for a while  
I know this won't last forever  
So hold, hold me tonight  
Before the morning takes you away

Hold, hold me now  
From dusk all night to dawn  
Save, save me now  
A short moment of time

Hold, hold me for a while

I know this won't last forever  
So hold, hold me tonight  
Before the morning takes you away  
Takes you away
