I was working at the railroad  
on the train to Arkansas.  
Last summer I met a gal;  
she came from nowhere in Idaho

CHORUS:

I can't get, no, no, no  
i just can't get her out of my mind.  
Can't forget, no, no, no  
those bedroom eyes and that  
little gracious smile.  
Howdy, folks!  
This song's about a man and  
a woman, he-he, what else?  
You know one minute  
everything's going fine  
The next it's gone with the wind  
but what the hey  
I've still got my horse.

I was working at the railroad  
  
on the train to Arkansas.  
Last summer I met a gal;  
she came from nowhere in Idaho

Still I wonder about her name  
guess she never told and  
never asked  
like a southern hurricane  
she took me by surprise and  
vanished in the haze.

CHORUS:

I can't get, no, no, no  
i just can't get her out of my mind.  
Can't forget, no, no, no  
those bedroom eyes and that  
little gracious smile.  
Can't forget, no, no, no  
those bedroom eyes and that  
little gracious smile.
