Old pop in an oak, pop in an oak
Once you could hear the sucker linger show
Thought I ever gonna see my old pop in an oak
Ever gonna see his old pipe in a smoke

Old pop in an oak, pop in an oak
Once you could hear the sucker linger show
Thought I ever gonna see my old pop in an oak
Ever gonna see his old pipe in a smoke

Old pop in an oak, pop in an oak
Once you could hear the sucker linger show
Thought I ever gonna see my old pop in an oak
Ever gonna see his old pipe in a smoke

Old pop in an oak, pop in an oak
Once you could hear the sucker linger show
Thought I ever gonna see my old pop in an oak
Ever gonna see his old pipe in a smoke

Hey, hey, hey hey
Hey, hey, hey hey
Hey, hey, hey hey
Hey, hey

Our big daddy is always the leader
He is the family's captain and chief, the one
I choked when my skin's caught up in my throat
'Cause there was our pop in the oak

Old pop in an oak, pop in an oak
Once you could hear the sucker linger show
Thought I ever gonna see my old pop in an oak
Ever gonna see his old pipe in a smoke

Old pop in an oak, pop in an oak
Once you could hear the sucker linger show
Thought I ever gonna see my old pop in an oak
Ever gonna see his old pipe in a smoke

Hey, hey, hey hey
Hey, hey, hey hey

Hey, hey, hey hey
Hey, hey
Hey, hey

Our big mama, she really had her guts go
When daddy put the barbecue on maximum
And caught her favorite pet, a skunk whose name's
Garth
Short after our pop was up far

Old pop in an oak, pop in an oak
Once you could hear the sucker linger show
Thought I ever gonna see my old pop in an oak
Ever gonna see his old pipe in a smoke

Old pop in an oak, pop in an oak
Once you could hear the sucker linger show
Thought I ever gonna see my old pop in an oak
Ever gonna see his old pipe in a smoke
