Woo-hoo!
Ooooooh!
Hey!

We're heading for the West
Not heading for the East
We gonna live our dream
'Cause we're wild and free

We are heading for the West
Not heading for the East
We gonna live our dream
'Cause we're wild and free

Hey, hey hey
Hey, hey hey
Ooooooh!

Heading for the West, everybody
Heading for the West, wild and free
Heading for the west, everybody
We gonna live our dream, 'cause we're wild and free

We're heading for the West
Not heading for the East
We gonna live our dream
'Cause we're wild and free

We are heading for the West
Not heading for the East
We gonna live our dream
'Cause we're wild and free

Hey, hey hey (so wild and free)
Hey, hey hey (everybody)
Ooooooh!

Everybody, everybody
Everybody, everybody
Everybody, everybody
Everybody

Heading for the West
Heading for the West

Heading for the West
Heading for the West

We're heading for the West
Not heading for the East
We gonna live our dream
'Cause we're wild and free

We are heading for the West (heading for the West)
Not heading for the East (heading for the West)
We gonna live our dream
'Cause we're wild and free, hey!

Heading for the West, everybody
Heading for the West, wild and free
Heading for the West, everybody
We gonna live our dream, 'cause we're wild and free

Hey, hey hey
Hey, hey hey

Hey, hey, hey, hey
Hey, hey, hey, hey
Hey, hey, hey, hey
Hey, hey, hey, hey
Hey, hey, hey, hey
Hey, hey, hey, hey
