Why does it feel like we fucked last night?  
Woke up and thought you might  
Feel it too, we didn't even touch  
Why do I feel so much about you?

In my brain is where you  
Rearranged, I double dared you  
To be weak and bite the apple  
Snake in, win the battle to my heart. (To my heart x3)

Cuz when you're in my head like that  
There is just no turning back  
Just one kiss would satisfy  
Thought about it, I won't lie.

#### CHORUS

You're inside inside, inside my head (whoa yeah)  
I wanna take you inside and the light is red  
Can you give up a little bit of power?  
Smell my sex and taste my flower, yeah.

I thought you knew you wanted to  
I spied the look in your eyes and I died, I felt it too  
You said to me why cant it be?  
Well can't you see I'm not free to be with you

Cuz when you're in my head like that  
There is just no turning back  
Just one kiss would satisfy  
Thought about it, I won't lie.

#### CHORUS

You're inside inside, inside my head (Can you feel me?)  
I wanna take you inside and the light is red  
Can you give up a little bit of power?  
Eat my sex and lick my flower, yeah.

(SOLO)
