got a tatto of jesus
leaning on your left thigh
no one ever told you girl
to get redemption first you must die

hey i know you want to
hey i know you need to
hey you really got to
leave it alone

you know you are a liar
and you made one mistake
took a dime for a quarter
and then you blew it
blew it away

hey i know you want to
hey i know you need to
hey you really got to
leave it alone
hey i really want you
yeah i really want you
hey i know you got to
leave it alone

you're a lost girl[x15]
you're lost and gone away

you gone away

lost and gone away

gone away[x3]

got a tattoo of jesus
and still you get high
you know someone should show you girl
how to put your wings on
and learn how to fly

hey i know you want to

hey i know you need to
hey you really got to
leave it alone
hey i really want you
yeah i really want you
hey i know you got to
leave it alone

you're a lost girl[x7]
