I'm so alone, I'm so alone, I'm thinking
I'm so alone, I can't get old
I'm so alone, I'm so alone, I can't get it off of you

For you love yourself
For you love yourself and no-one else
buried in yourself
Come on baby, no time for maybes
one last trip to hell

Come on, come on, come on,
Can you feel it?
Come on, come on, come on,
Can you feel it glowing you? slowing you?
Is it glowing you?

I'm so alone, I'm so alone, I'm sinking
I'm so alone, I can't get lost for you

For you love yourself
For you love yourself and no-one else
buried in yourself
come on baby, you drive me crazy,
one last trip to hell
[G.L.O.W. Lyrics On]
Come on, come on, come on,
Can you feel it?
Come on, come on, come on,
Can you feel it glowing you? slowing you?
is it glowing you?

It's not strange
i'm insane

It's not strange
I'm so strange
released

Come on, come on, come on,
Can you feel it?

(repeat)

Come on, come on, come on,
Can you feel it glow?
