Another dumb kid shot him
Another restless bitch still f**ks
Another magic trick denied a sound
Forget to forget
Your're so far your getting close to my heart

Apart
Apart

We're giving back the dream
We're giving back a dream
were giving back the dream
We're giving back a dream

Anotother day between a lost year
We do as we please
I choose to forget
Just how close we really are next to be

Apart
Apart

We're giving back the dream
We're giving back a dream
We're giving back the dream
We're giving back a dream

I know I'm right
I can't be wrong
Would I reduce
You're not so strong

Every angel sleeps somewhere
Every angel dreams of some time
Every angel walks with me now
Every angel kills

What's left upon
My brusied cheeks
Because a zillion strong believe

We're giving back the dream
We're giving back a dream
We're giving back the dream
We're giving back a dream

Another dumb kid shot him
Another dumb kid shot him
Another dumb kid he shot him
Even angels sleep
Sometimes
