Baby be good, baby every night
Better be good, you know it's only right
Baby be good, 'til I come back home
Baby don't be bad 'cause you're all alone

I don't wanna go but I leave today
Just remember what I had to say
All I ask of you when I go away
Is baby be good, baby be good

Baby be good, baby every night
Better be good, c'mon and let it show
Baby be good, try and understand
Baby don't be bad with another man

If you're gonna play I don't want to know
It would break my heart 'cause I love you so
All I wanna say now before I go
Is baby be good, baby be good

I never really thought that I would lose my heart
But I love all the things that you do
It's funny 'cause I just don't think you fit the part
I always wanna be here with you

If you're gonna play I don't wanna know
It would break my heart 'cause I love you so
All I wanna say now before I go
Is baby be good, baby be good

Baby be good, baby every night
Better be good, you know it's only right
Baby be good 'til I come back home
Baby don't be bad 'cause you're all alone

I don't wanna go but I leave today
Just remember what I had to say
All I ask of you when I go away
Is baby be good, baby be good
