yo yo yo im about to rip this nigga a new hole
check it check it, this is for wack ass john cena

yo you think you can rap dog?
you aint nuthin'
come up to me
i shoot yo ass like i was huntin'
you wack ass hell
you should stick to wrestlin
cuz you know if it wasnt for the roids
you'd be a nestling
dont make me get seemingly harmless on your ass
cuz hell smoke you like your ass was grass
you aint even in our class
you get d*** and we get ass
matter fact dog, YOU cant see me
i takeover yo rap career like jay-z
see any guns and you flee
i bet you ass is inbred
like the capitol of tennessee
cuz u know u dont want to see my G.A.T.
and ill assault yo ass like the LAPD
you dumbass dont even have yo mastas degree
