Seemingly Harmless-
niggaz is gay

and every way i see em is same
they cant get on my level of the game or fame
im killin these lames doing my thing if i need to slang
ill get you where u stay or knock on your door bang

niggaz wanna get on my level
but they dont wanna disturb the devil
some say im crazy cause i cant stick to one subject
the only thing i can stick is your mouth on my d***
others say im crazy others say im dope
scratch the last thing i said i have no fans nope
ill hang you on a rope and let you suffer till you choke
niggaz is lyrically a mess so forget the rest
remember the name Motherf***** Seemingly
Harmless

(Talking)
