Seemingly Harmless-  
yo im tough like an unbreakabe object  
if ya step to me ill be put the gat ta ya neck  
cuz im dope like a syringe wit dope in it  
i'll sniff ya head like there was dope in it  
im infinite when to the rhyiming  
my timing is tight like a ass  
youre timing is like clarets 40 yard dash  
thats right your slow you ho  
you claim youre my friend but you have no do  
and i cant be chillin wit bums  
it makes me be feelin dumb  
ill be left to concealin crumbs  
yea i be dealin the dumbs  
while you be stealin drugs from  
a nigga that aint got none  
so whats the point  
yea i had beef i killed em witta couple joints  
i be back with unbeleivable rhymes  
in nonconceivable prime  
unachievabel dimes  
is what i be gettin in the hood  
its whats really good  
dont be actin like you know  
i be attractin hoes  
with distracting blows  
from my reacting 44  
you know how the game go  
it goes wit me on top  
cuz i be whats really hot  
these niggaz is really not  
come to philly? get shot  
im like the chili.... Hot  
yea i be the one whos killin all the villains  
im the good guy and good guy always win  
watch you die, watch you die from a 3 pin  
y-should rely on me the king  
if not you cry like theres no gin  
cuz there aint none left  
no thanx i dont drink  
the crank make you shrink

i'll spank ya if ya think  
now wait here cuz you stink  
say aye if no make sense  
aye aye  
what a beautiful day for you to die  
aint no other way for you to cry  
work the fire like 4th of july  
no one inspires like me no denies  
ill rock the track  
the mack hits your back  
then ill walk like im black  
the glock versus a mack
