your scarf stole you from my heart and too you

stole you took you i know where everybody say an eyes on us (x2)

this scarf that popping my heart burned my and i can't hid it  
i't made my a toy in your hand and the game is for your scarf(x2)

stole you took you i know where everybody say an eyes on us(x2)

your scarf

your scarf

this scarf that's flying in the air i made me get out my myslef  
it made my wait and satying up if i just can reach it (x2)

stole you took you i know where everybody say an eyes on us(x2)

your scarf

your scar

your scarf stole you from my heart and too you

your scarf stole you from my heart and too you
