Second voice part

second 2nd voice part

Lunatic Fringe - Red Rider

Lunatic Fringe - I know you're out there

You're in hiding, and you hold your meetings

I can hear you coming, and I know what you're after

We're wise to you this time we won't let you kill the

laughter

wise to you this tiiimmme

000-000-000-uh-Huh

000-000-000-uh-Huh

000-000-000-uh-Huh

Lunatic Fringe - in the twilight's last gleaming

This is open season, but you won't get too far

'Cause you got to blame someone for your own

confusion

We're all on guard this time against the Final Solution

all on guard this time

Oh Yea-a-a

000-000-000-uh-Huh

000-000-000-uh-Huh

000-000-000-uh-Huh

We can hear you coming no, you're not going to win  
this time

We can hear you coming not gonna win

We can hear the footsteps out along the walkway

We can hear the footsteps out along the walkway

them play

Lunatic Fringe - we all know you're out there

Can you feel the resistance?

Can you feel the thunder?

Oh Yea-a-a
