My mistress eyes  
Are nothing like the sun  
If you're not down with what I say  
Stop breathing  
And go fuck yourself

Say you know  
What means forever  
For either ways  
Say you know  
Let's burn together  
My bleeding love

This is what we are  
This is to remain  
This is what we are  
We give what we can...

... This is what we are  
This is to remain  
This is what we are...

... All we are is, empty bodies  
No heart, no soul, no anything  
All we are is, empty bodies  
No heart, no soul, no anything

My mistress eyes  
Are nothing like the sun  
If you're not down with what I say  
Stop breathing  
And go fuck yourself

This is what we are  
This is to remain  
This is what we are  
We give what we can...

... This is what we are  
This is to remain  
This is what we are

Thank you, thank you  
For nothing and for all  
Not for the pain for the insight...

.Thank you, thank you  
For nothing and for all  
Not for the pain for the insight
