*Means sth. Like be happy and I'm happy for you, you deserve it

Drink from the cup of life, may it be sweet for you

If tonight you're beside the stars

If tonight you're the bride of stories

May it be sweet for you (2)

Drink from the cup of life, may it be sweet for you

Yes, tonight the world is staring at you

*Staring as in admiring

*The twinkle in your eyes has mesmerized the world

Under the umbrella of moonlight's night and stars

Blessings are raining from the sky

May it be sweet for you (4)

Drink from the cup of life, may it be sweet for you

May it be sweet for you (2)

Drink from the cup of life, may it be sweet for you

May it be sweet for you (2)
