I'm a drivin' this truck for a mountain road I got a hot  
rod rig and I'm a flyin' low  
My eyes're filled with diesel smoke air fan curves ain't  
no joke  
Diesel smoke dangerous curves  
I was out last night drinkin' beer with the guys  
Got an achin' head and blood shot eyes  
I ended up with a pretty little dame I didn't even know  
her name  
Diesel smoke dangerous curves  
If I deliver this hot shot plate I gotta get a goin' cause  
I'm runnin' late  
These mountain grades are mighty steep can't stay  
away there ain't had no sleep  
Diesel smoke dangerous curves  
[ guitar ]  
There's a cute little waitress at the bottom of the  
grades  
She's got hot coffee already made  
I gotta keep my eyes upon the road cause I'm goin'  
down the hill heavy load  
Diesel smoke dangerous curves  
Well I must have closed my eyes for a while casuse  
here I am and I'm a runnin' wild  
I turn my brakes strip my gears gonna have to ride her  
down I fear  
Diesel smoke dangerous curves  
I wish I'd left the wind alone but it's too late now cause I  
think I'm gone  
I got myself into this fix just because I drive to mix  
Diesel smoke dangerous curves diesel smoke  
dangerous curves
