George he's got lots of money he's got everything
going his way
He drives down the street in a big limousine
Oh how I wish I could just be George for a day
I'd walk around feeling seven feet tall for twenty four
hours I'd have it made
Yes I would really be in high society if I could just be
George for a day
[steel]
George he lives in a mansion he don't have to work for
his pay
All the girls wanna marry him oh how I wish I could just
be George for a day
I'd walk around...
