Well there's not a girl around that can make me settle
down

Cause I'm a happy go lucky truck driver

I'm happy and carefree yeah and that's just how I
wanna be

I'm a happy go lucky truck driver

Well I work real hard and I save my mon just to havin'
my fun each day

And that's just how I'm gonna stay

Well I'm just like a wild wild goose fancy free and I'm
foot loose

I'm a happy go lucky truck driver

[guitar]

Well I've never seen a pretty girl yet that I could not
forget

I'm a happy go lucky truck driver

I'm a livin' the life for these I'm doin' just what I please

I'm a happy go lucky truck driver

Well I work real hard...

I'm a happy go lucky truck driver
