I dream of Jeannie with the light brown Cadillac  
She's got more dollars than carter's got pills  
I dream of Jeannie with the light brown Cadillac and oh  
oh all her dollar bills

Well Jeannie wadn't too much to look at she could never  
win a beauty contest  
But when it comes to money or beauty I think I like  
money the best  
Jeannie used to take me out drivin' up and down the  
street

And everytime you'd see us we'd be different  
She had that Caddy for each day of the week  
That's why I dream of Jeannie...

[ guitar ]

Then Jeannie went to New York City and she never  
came back to our town  
I heard she married some city slicker and now  
Jeannie's settled down  
But I still dream of Jeannie...  
And oh oh all her dollar bills
