"Last Mile Of The Way"

When I've done everything that you asked me to do
And when I've changed every way that I can
Then if that's not enough to satisfy you then I guess I'm
not that much a man
When I've gone the last mile of the way
And when I've said everything left to say
I know only sorrow awaits me when I've gone the last
mile of the way
[fiddle]
There are some things in life that money can't buy
And there's some things that words cannot say
I guess I always knew I couldn't satisfy you if I went
every mile of the way
When I've gone the last mile...
Yes I've gone the last mile of the way
