"Money Marbles And Chalk"

Now there's an old saying that's been all around I
heard it before I could walk
How some's got health and some's got wealth others
money marbles and chalk
I got money marbles and chalk sweetheart but I still
feel like I am poor
Cause my money won't spend and my marbles won't
roll
And my chalk won't ride anymore

While you were near me I was happy and gay your
presence made me feel so proud
But you left me for another for another one day now I
feel alone in a crowd
I got money marbles and chalk...

The money marbles and chalk is all right to misers who
love only gold
But give me a chance to save our romance for I love
you with all of my soul
I got money marbles and chalk...
