Waitin' my baby's waitin' waitin' at the end of the line
Hurry up old truck we're running a way behind time
Longin' yes I'm longin' to hold her in my arms it's true
Cause old stirring wheel I'm gettin' mighty tired just
holding on to you
Well these days drag by and the miles get longer as I
travel on
But I can hardly wait cause I've got me a date with the
angel that's waitin' in home
But it won't be long till I get there holding the one who's
true
Cause old stirring wheel I'm gettin' mighty tired just
holding on to you
[steel]
But it won't be long till I get there...
