You hve painted up your lips and rolled and curled your  
tinted hair

Ruby are you contemplating going out somewhere

The shadow on the wall tells me the sun is going down

Oh Ruby don't take your love to town

For it wasn't me that started that old crazy Asian war

But I was proud to go and do my patriotic chores

And I know Ruby that I'm not the man I used to be

Oh Ruby I still need some company

It's hard to love a man whose legs are bent and  
paralyzed

And the wants and the needs of a woman your age

Ruby I realize

But it won't be long I've heard them say until I'm not  
around

Oh Ruby don't take your love to town

She's leavin' now cause I just heard the slamming of  
the door

The way I know I've heard it slam one hundred times  
before

And if I could move I get my gun and put her in the  
ground

Oh Ruby don't take your love to town

Oh Ruby for God sakes turn around
