"Seasons Of My Heart"

The seasons come the seasons go we get a little
sunshine rain and snow
Just the way that it was planned to be
But there's no season in my heart while you play the
leading part
Cause the flowers will bloom eternaly
Your leavin' will bring autumn sorrow and my tears like
withered leaves will fall
But spring could bring some glad tomorrow and
darling we could be happy after all
[steel]
As it is in nature's plan no season gets the upper hand
How I try to keep this fact in mind
The trees are bare the cold winds blow and by
experience we should know
That winter comes but the spring is close behind
Your leavin' will bring autumn sorrow...
