Rollin' I go rollin' along I'm listenin' to that diesel hum a song  
Well I'm just as happy as I can be cause my pretty baby she's a waitin' for me  
So come on truck yeah take me on home  
I'm longin' just to hold her again and I miss her and want to kiss her again  
We've been on the road for a long long time  
But we'll get some rest at the end of the line  
So come on truck take me on home  
[ guitar + steel ]  
Stoppin' just stop outside of town at the truckstop where all the truckers hang around  
Oh we got some cleanin' up to do I need the shavin' you need a washjob too  
So come on truck yeah take me on home  
(Come on truck let's go now gettin' close to home  
There's the lights of the city and that's pretty)
