She calls me her Truck Daddy Truck Daddy she tells me
that she loves me so
Well I'm her Truck Daddy Truck Daddy and I ain't never
gonna let her go
Well I drive a truck six days a week on the road but on
Sunday I come home
And she's waitin' with some kissin' and we're makin' up
for all
Love I've been a nissin' since I've been gone
She calls me Truck Daddy Truck Daddy and I'm always
true to my baby
[guitar]
Well I drive a truck six days a week...
And I'm always true to my baby
