can you see me now,
(can you see me? I'm here, right here.)
amongst the barbie dolls?
(italian suits, portable phones.)
ask me how I am,
(how am I? who am I? I don't know.)
start to slide away,
(just let me go.)
to the ponit of no return.

can you see me now,
(can you see me? I'm here, right here.)
amongst the perfect folk?
(perfect people, everything you want.)
ask me how I am.
(how am I? who am I? I don't know.)
start to slide away,
(just let me go.)
to the point of no return
