Has we proceed, get the proceeness  
Proceeding this evening, who do you believe in  
Pleasure or pain, angels or demons  
Savin the Jesus, honesty or deceiving  
What's the meaning, you be my hallo  
And I'll be your zen if guardian angel  
Carry the palo I put that on my bizac  
My only mission put my fucking state upon the...  
Yeah... and murb so spiritual  
I ain't even... my cigar like an ass take  
Ritual nigga is the return of the lyrical  
Nigga sayin hi she off the street it's a miracle  
Hey we party like we bringin in the new year  
Girl I'm from the bottom shit I ain't no I see you here  
How the hell you get here f\*ck it what a coincidence  
All I know is life got me feelin splint different wrist

Hook:

It's a beautiful, it's a beautiful, it's a beautiful, it's a  
beautiful life  
It's a beautiful, it's a beautiful, it's a beautiful, it's a  
beautiful life  
And them lights keep on glowing  
When the nights turn into mornings  
Is still lonely so devoted always calling me morning in  
this beautiful life

See now I spit on the market of beast but take six,  
Spread love till the hate don't exist that's why they love  
me  
Except my ex'es 'cause they old news ex'es and olds  
No kisses so they don't hug me you get it, now get it  
from me  
I'm dummy, I'm cold better act like you know it  
If you ain't for the love then what you're in it for  
I'm feelin it and still in the spot like I don't want it  
though  
'Cause knowledge be the only thing that I could change  
infinite  
Ah, I leave packs I don't catch up  
Please that nigga though, niggas know killing shit the

eldest nigga feel it though  
And I'm spittin dough killin shows you ice drillin show  
I'm chillin know  
Calm it down, good vibes I'm basking in my comet now  
You dick so I'm asking you, to get the fuck around me  
So I don't know where the fuck they found  
But everything I'm on I better fucking sound G
