I've thought I cry my heart out when you told me
goodbye
I never dreamed I had so many tears stored up inside
But I think my crying's over I just cry now and then
And I'm acting like my old self again
Yes I'm acting like my old self again I can even smile
now and then
Those lonely nights are coming to an end yes I'm
acting like my old self again
[steel]
For a while I didn't even know myself
I've thought the world had ended the day that you left
But the world keeps on turning looks like I'm gonna win
Cause I'm acting like my old self again
Yes I'm acting...
