Well I pulled outta Pittsburgh a rollin' down that Eastern
Sea board

I got my diesel wound up and she's a runnin' like a
never before

There's a speed zone ahead alright I can't dodge all
the cops in sight

Six days on the road and I'm gonna make it home
tonight

I got me ten forward gears and a Georgia overdrive
I'm takin' little white pills and my eyes are open wide
I just passed a Jimmy and a white I been a passin'
everything in sight

Six days on the road and I'm gonna make it home
tonight

Well it seems like a month since I kissed my baby
goodbye

I could have a lotta women but I'm a not a like a
someother guys

I could find one to hold me tight but I could never make
believe it's alright

Six days on the road and I'm a gonna make it home
tonight

[guitar]

ICC is checkin' on down the line

Well I'm a little overweight and my log book's a way
behind

But nothin' bothers me tonight I could dodge all the
scales alright

Six days on the road and I'm gonna make it home
tonight

Well My rig's a little old but that don't mean she's slow
There's a flame from her stack and that smoke's a
blowin' black as coal

My hometown's a comin' in sight if you think I'm a
happy you're right

Six days on the road and I'm a gonna make it home
tonight

Six days on the road and I'm a gonna make it home
tonight

Six days on the road and I'm a gonna make it home
tonight
