Hold up on the double, these boys want trouble
They call me flint stone & my homey's born Rubble
Rebel, Devil, chase em' through the ghetto
Break these muthafuckers off with just 1 dedo
Metal bracelets, facin' worse incarceration
Aim for the dome, gotta keep my concentration
Since Elementary, it was destined for me
To see the penitentiary
Late Friday. Or was it early Saturday?
I hit him with the shotty that I bought from academy
Duck for cover, your marked muthafucker.
Didn't mama say not to play with niggas from the
gutta?
I smell undercovers, I die with my brothers
& when I'm on the mic. I represent all colors
Last summer, I escaped from an asylum
You know the 3 digits, bitch you better dial 'em'

No matter where you at do you represent your city?
Wiggy Wiggy Wiggy Wiggy Wiggy Wiggy.
Do you take fools out like the homey Frank Ditty?
Wiggy Wiggy Wiggy Wiggy Wiggy Wiggy.
Did your crib get raided by this little "piggy"?
Wiggy Wiggy Wiggy Wiggy Wiggy Wiggy.
Have you ever whipped a nigga 'til he really look silly?
Wiggy Wiggy Wiggy Wiggy Wiggy Wiggy.

[Baby Bash:]

I suck the blood like mosquito, facin' judge Ito
Joint in my mouth, lookin' big as a burrito
Turnin' 10 into 20, 20 into 40
40 into 80, everything is gravy.
Won't you play me in your deck-uh?
Microphone checker
Quick to grab a chickenhead hutch by the neck-uh
Double decker, hoes on my woody woodpecker
Niggas call me Grind say that I'm a homewrecker
Beretta underneath my Raider sweater
Fuck a fine loca by the name of Wera
Stackin' more cheddar than speedy Gonzales
Smoother than the head of Mr. Telly Savalas

Tu sabes haciendo jales, movin' yales
Order 2 tacos with the beans & nopales
Don't blame us, just because I'm famous
& I got my middle finger up your baby mama anus,
bitch.

Do you raise Ben Davis or do you sag dicky's?
Wiggy Wiggy Wiggy Wiggy Wiggy Wiggy.
Does your bitch got your name tattooed on her titty?
Wiggy Wiggy Wiggy Wiggy Wiggy Wiggy.
Do you bump 2Pac or do you bump Biggie?
Wiggy Wiggy Wiggy Wiggy Wiggy Wiggy.
Do you sleep with your wife or with a 9 milli?
Wiggy Wiggy Wiggy Wiggy Wiggy Wiggy.

3rd Verse:

I got sacks for sale in the land of hell
My enemies don't even get a chance to yell
In the black seville, with my man Miguel
Little beings wanna put my fuckin' ass in jail
Stack my mail, where the bastard's dwell
Puffin' on Jane 'cause that's my girl
Never brag or tell, but I blast 'em well
I shoot more shots than Sam Cassell
Well, pick the chosen & form an alliance
Move in silence, we got the loyal clients
Coorporate giants, with street science
Cookin' dough on a kitchen appliance
Don't try it, if you can't keep quiet
I put 17 bullets in your diet
Lyin' in a puddle 'cause you hoes wanna rumble
SPM like Tarzan, King of the jungle.
