In 1987 all I wanna do is fly
All I want for you to do is reach up to the sky
Well well well, and come down easy
Well well well, and come down easy
Lord I'm gonna shake it
Lord I'm gonna make it
Sure I'm gonna take it
'Cos I feel, yeah I feel, alright, alright

In 1987 all I wanna do is get stoned
All I want for you to do is take my body home
Well well well, and come down easy
Well well well, come down easy
Lord I'm gonna shake it
Lord I'm gonna make it
Sure I'm gonna take it
'Cos I feel, yeah I feel, alright, alright, alright

Meet me children meet me
Meet me at the top of the sky
All I want for you to do
Is take yourself a little higher
Well well well, and come down easy
Well well well, come down easy
Lord I'm gonna shake it
Lord I'm gonna make it
Sure I'm gonna take it
'Cos I feel, yeah I feel, alright, alright, alright

Yeah I feel alright, alright, alright

Take it down, take it way down low
Down, down, down, down, down
Take it way down low
About as low as you can go

I don't know
I don't know
I don't know, but
I don't know, but I shake it babe
Shake it babe, shake it babe

Shake it baby, shake it babe, shake it babe
Yeah so I can fly
Yeah, just take it a little higher now
Yeah, come down easy
Lord I'm gonna shake it
Lord I'm gonna make it
Sure I'm gonna take it
'Cos I feel, yeah I feel, alright, alright, alright

Shake it babe

Jesus Christ I was only shakin', Lord

Shake it babe
Shake it baby
Shake it baby
Shake it babe
