Alyssa:

Till now, I always got by on my own.
I never really cared until I met you.
And now it chills me to the bone,
How do I get you alone?

P.Reign:

I sit back and reminisce, it hurts to think about it all.
We was on top of the world, whoever though that we
would fall?
Standing by the phone, alone, ignoring your call.
I feel like spider man, you got me flying off of the wall.
I ain't wanna leave, but still I had to go.
Cause what puts a rainbow with out my pot of gold?
And now your beds empty and your pillows cold,
you never realised the love until my love was gone.

Alyssa:

When I said I could move on and go,
you said I'm weak and it shows,
I couldn't go on with out you.
Now I'm sitting in this house alone,
wondering why I left home,
And I'm hoping that you know that...

Chorus:

Till now, I always got by on my own.
I never really cared until I met you.
And now it chills me to the bone,
How do I get you alone?

P.Reign:

You act like you don't need me,
'cause you're scared of being needy.
You want to have your cake and eat it to,
I call that being greedy.
And they say that love costs,
consider this a freebie.
No one said this would be easy.
Either love me or just leave me.
Admit it, we too old for pretended.
Ain't like our bond is broken,

it just needed some mending.
And when you need a hand,
you know I'll be there to lend it.

What's the point in having time,
if I ain't there to help you spend it.
Yeah.

Alyssa:
When I said I could move on and go,
you said I'm weak and it shows,
I couldn't go on with out you.
Now I'm sitting in this house alone,
wondering why I left home,
And I'm hoping that you know that...

Chorus:
Till now, I always got by on my own.
I never really cared until I met you.
And now it chills me to the bone,
How do I get you alone?
How do I get you alone.

I hear the ticking of the clock,
I'm lying here, the room's pitch dark...

I wonder where you are tonight,
No answer on the telephone.
and the night goes buy so very slow
Oh, I hope that it won't end though,
Alone

And I'm hoping that you know that...

Chorus:
Till now, I always got by on my own.
I never really cared until I met you.
And now it chills me to the bone,
How do I get you alone?

Till now, I always got by on my own.
I never really cared until I met you.
And now it chills me to the bone,
How do I get you alone?
How do I get you alone?
