Til now, I always got by on my own  
I never really cared until I met you  
And now it chills me to the bone  
How do I get you alone?

The phone call  
Can you stop the free fall?  
Can you be the reason  
I can see beyond the lies  
If I keep holding on?

I hear you  
(Hear you)  
Can you stop the screaming?  
(Screaming)  
Did you stop believing?  
I could feel you letting go  
I can't be alone tonight

When you said I could move on and go  
You said I'm weak and it shows  
I couldn't go on without you

Now I'm sitting in this house alone  
Wondering why I left home  
And I'm hoping that you know that

Til now, I always got by on my own  
I never really cared until I met you  
(Til I met you)  
And now it chills me to the bone  
How do I get you alone?

And leave me  
(Leave me)  
I know you see right through me  
(Through me)  
I finally thought you knew me  
Well enough to know with you  
I feel so ordinary

It's a crime scene  
(Crime scene)  
Someone killed our last dream  
(Last dream)  
Did you stop believing?  
I can feel you letting go  
I can't be alone tonight

When you said I could move on and go  
You said I'm weak and it shows  
I couldn't go on without you

Now I'm sitting in this house alone  
Wondering why I left home  
And I'm hoping that you know that

Til now, I always got by on my own  
I never really cared until I met you  
(Til I met you)  
And now it chills me to the bone  
How do I get you alone?  
How do I get you alone?

I wonder where you are tonight  
No answer on the telephone  
And the night goes by so very slow  
Woah, I hope that it won't end though  
Alone...

And I'm hoping that you know that

Til now, I always got by on my own  
I never really cared until I met you  
(Til I met you)  
And now it chills me to the bone  
How do I get you alone?

Til now, I always got by on my own  
I never really cared until I met you  
(Til I met you)  
And now it chills me to the bone  
How do I get you alone?  
How do I get you alone?
