Santa, won't you set me free
I gave you my heart under the Christmas tree
I gave you my love, don't make a fool out of me
No, I can't wait to see you Christmas eve

The lights were shining bright on a Saturday night
I saw you form a line and my heart took flight
Only had a minute but Santa, it was perfect
Took a picture from my wallet
And never would have saw it

No, I don't wanna hear it from Miss. Claus
Since a baby maybe I could be a Mistress Claus
I have been misbehaving but I don't need coal
I want some Saint Nick wrapped in a bow

Santa, won't you set me free
I gave you my heart under the Christmas tree
I gave you my love, don't make a fool out of me
No, I can't wait to see you Christmas eve

Santa, won't you set me free
I gave you my heart under the Christmas tree
I gave you my love, don't make a fool out of me
No, I can't wait to see you Christmas eve

I knew from the moment I sat on your lap
My heart beats for Santa
And there's no going back
We only shared a moment but I won't let it go
So Santa, won't you meet me by the mistletoe

Really, really come down the chimney
Will you really come here to see me
Will you really make all the bells toll
Will you really show me the north pole

Santa, won't you set me free
I gave you my heart under the Christmas tree
I gave you my love, don't make a fool out of me
No, I can't wait to see you Christmas eve

Santa, won't you set me free
I gave you my heart under the Christmas tree
I gave you my love, don't make a fool out of me
No, I can't wait to see you Christmas eve

Really, really come down the chimney
Will you really come here to see me
Will you really make all the bells toll
Will you really show me the north pole

Santa, won't you set me free
I gave you my heart under the Christmas tree
I gave you my love, don't make a fool out of me
No, I can't wait to see you Christmas eve
