I don't know why I've been wishing
You'll come around
I let you catch me walking with
My chin to the ground
Gotta get my head back on my shoulders
Gotta set my sight to the sky
I need to make it right
And let you own me
But tonight I fly
And now imma imma imma imma go
And you will you will you will watch me soar
I've been chained to the bottom
I've been caged like a bird
I've been judged
I've been bullied
But I couldn't say a word
I'm flying getting higher
And you watch me from the dirt
You can't reach me
You can't touch me
Watch me soar like a bird
Watch me soar
like a bird
I don't know how I let you
Control my whole life
I was just a dreamer
But you pushed that aside
Now I'm in the clouds
But I'm not sleeping
Tried to shove me down
But I'm awake
I let you get the best I had offer
But my dreams you could not take
And now imma imma imma imma go
And you will you will you will watch me soar
I've been chained to the bottom
Caged like a bird
I've been judged
I've been bullied
But I couldn't say a word
I'm flying getting higher
And you watch me from the dirt

You can't reach me
You can't touch me
Watch me soar like a bird
Watch me soar
like a bird
