Dream house for sale
Maybe, it's left for you
If you're among the lucky ones
And that found a love that's true

I was looking through the morning paper
Like a lot of us do every day
When I saw an ad that caught my eye
This is what it had to say

One dream house for sale
It's a bargain from nothing down
And there's no closing cost for the dreams
I lost when the girl I loved left town

There's five rooms and bath on an acre of land
And the nursery painted pink and blue
A baby bed and a little white high chair
And it's all almost brand new

There's a set out old dog in a picket fence
Around the yard that's full of weeds
Why, just one look and it's easy to see
A little love is all that it needs

Dream house for sale
If you found a love that's true

The only thing wrong with this house of mine
Is the black cloud that hangs above
I guess it's there to keep out the sunshine
Since mine's a house without love

That's just about all there is to tell
About a boy and his love that failed
Four words tell the rest of my story
Dream house for sale

Dream house for sale
Maybe it's meant for you
If you're among the lucky ones
And that found a love that's true
