Well, I called my baby and I told her to be
Down at the juke joint a-waitin' for me
'Cause I'm a juke joint Johnny
I know every joint in town
I'm a juke joint Johnny and I'm always jukeing around

Now I work all week and I draw my pay
I hit a juke joint and I throw it all away
Cause I'm a juke Johnny
I guress I'll always be
I'm a juke joint Johnny and a juke joint is home to me

(Instrumental)

Now I could dance all night to a juke joint song
When the sun comes up I'm still going strong
Cause I'm a juke joint Johnny and they're watching me
go
I'm a juke joint Johnny and baby you're stepping slow

(Instrumental)

These lonsome blues don't bother me none
Cause I know every gal that wants to have fun
Cause I'm a juke joint Johnny and there ain't no files on
me
I'm a juke joint Johnny and the juke joint is where I'll be

(Instrumental)

Well I told my gal I just couldn't stay
She wants to marry but I wants to play
Cause I'm a juke joint Johnny I like to go all the time
I'm a juke joint Johnny and I juke on down the line
